One of the greatest gifts we can give our children is helping them develop the unique creativity that they all possess; but don't always know how to access. We introduce, nurture, and guide these abilities through our award-winning curriculum and outstanding, trained staff.

The cost of the class is \$55 per month, and is automatically drafted each month. The initial month will be \$80, which includes a \$25 annual registration fee and **FREE t-shirt**.

We would LOVE to have your child join us--we have loads of fun while we learn! Be sure to head to our website and **REGISTER ONLINE** for your child's school---classes can fill up fast!

We love what we do, and want to pass that on to your child. It will be an investment that will pay off for a lifetime!
